A RAISE YOUR HAND TEXAS[®] FOUNDATION INITIATIVE

Dear High School Counselor,

You play a critical role in supporting students as they plan for the future and explore potential career paths. The Raise Your Hand Texas Foundation is committed to elevating the status of the teaching profession so more of our best and brightest students consider teaching as a career. We know you encounter many students who would be excellent teachers, so we hope you will join us in this pursuit.

Through the Raising Texas Teachers initiative and the Charles Butt Scholarship for Aspiring Teachers, we are providing 100 students at partner universities with scholarships of up to \$8,000 per year for up to four years. Charles Butt Scholars also benefit from mentorship and professional development support. Applications for the scholarship open in the fall and selected scholars are notified in the spring.

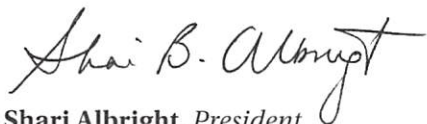

The scholarship is available at the following universities:
